Karragarra Island Weekend

Hi everyone,

Saturday saw seven boats arrive, some did a spot of fishing with the odd one being caught. Late afternoon we all meet at the BBQ area, great spot to be mid-winter with the facilities available on shore.

Enjoyable time had by all, nice to Edna looking so well. Once back on board our boays a few of us were serenaded to sleep, thanks to Lynne and George.

Sunday morning saw a few of us meet back on shore for breakfast. Dark'n'Stormy arrived making eight whittley's for the weekend.

A group of us went for a walk over on to Macleay Island shopping. The rest of the day spent chatting, fishing and even Ethan had a swim. The water got better and better making it very hard for us to leave.

Once again a great time had by all.

Noosa Weekend – Sat – Sun 3-4 Sept.

Now this is a weekend. On my home surf, so to speak.

This weekend is Fathers Day. What better day to dust off the Whittley and take Dad out for the weekend.

The trip from Brisbane takes less than an hour and a half and you are in **NOOSA**. Shopping, surf, holidays, fun.

How to get there:

- Drive up the Bruce Highway to Eumundi (dual carriage to Eumundi).
- Take the turnoff at Eumundi to Noosa.
- Go through about nine roundabouts till you reach Hilton Tce at Tewantin. (see the roundabout marked on Beacon to Beacon at P37 2D)
- Turn right into Gympie Tce.
- See two boat ramps marked where Gibson St meets Gympie Tce.
- I find the second (eastern) ramp is best for bigger boats.
- There is reasonable parking at the boat ramp and in adjacent streets. Can't offer more secure parking, sorry, but I have not heard of any problems parking here.
- Head east past Coast Guard into Noosa Sound and to Woods Bay at Noosa Woods. (P38) Great anchorage and small beach with shelter sheds.
- Last time I was there I don't remember there being a BBQ so be prepared to bring your own. Remember, we have a great share arrangement if you don't have your own.
- I will be there from Friday, anchoring up at night in Woods Bay. BBQ Saturday night.

Things to do:

- Good fishing right down to the bar and into the "Frying Pan". Watch the shallow water.
- The bar is not good and experienced bar crossing only.
- Shopping in Hastings St. just a short walk from Woods Park.
- Walk/eat Gympie Tce.
- Fish & chips at Harbourtown Marina (P36)
- Explore the Noosa River. Most boats could get to Boreen Point.
