e-NEWS #6

It seem lately that when I should be writing a newsletter I have something on preventing me devoting the time.

I have been at a conference in Hobart, a few days in Melbourne and have needed to devote quite a bit of time to my pharmacy over the last month.

Sorry if any member has found a lack of input from me, but I will now try to catch up.

There many new members who need a contact and update with news.

There are events for the coming year and reports and pics from past events as well as follow up on articles I have started and need a conclusion to from previous newsletters.

Newsletter out before Xmas.

Good news:

There IS a November outing. The committee decided that since there is a gap in action for November, we will slip in a quickie.
